The charges he has been inditient to 20 including three sixteent toward labor, social security U.S. B47 let bombers flying and the unemployed. He said that with justice.

On the political front, Eisenhower's assertion that management of America's internal affairs is the America's internal affairs is the main issue of the presidential campaign came when a reporter asked him to give his view on a record to the Jordan side of the Israeli attack — second major retaliatory raid in recent weeks, he was listening to Herbert Hoov. The language was the

that matter.

Eisenhower recalled that he said in a compaign address in Pitts-burgh Tuesday night that no one is against peace, prosperity and in recent weeks, he was listening to Herbert Hoov, er, and the language was the languages of Madison Avenue, which is against peace, prosperity and recent weeks, he was listening to Herbert Hoov, er, and the language was the languages of Madison Avenue, which is against peace, prosperity and large to Herbert Hoov, er, and the language was the languages of Madison Avenue, which is against peace, prosperity and large to Herbert Hoov, er, and the language was the language of Madison Avenue, which is against peace, prosperity and large to Herbert Hoov, er, and the language was the languages of Madison Avenue, which is a skell to a large to the language was a skell to a large to the language was a skell to a large to the language was a skell to a large to the language was a skell to a large to the language was a skell to a large to the language was the languages of Madison Avenue, which is a skell to a large to the language was the languages of Madison Avenue, which is a skell to a large to the language was the languages of Madison Avenue, which is a skell to a large to the language was the languages of Madison Avenue, which is a skell to a large to the language was the languages of Madison Avenue, which is a skell to a large to the language was the languages of Madison Avenue, which is a skell to a large to the language was the languages of Madison Avenue, which is a large to the language was the languages of Madison Avenue, which is a large to the language was the languages of Madison Avenue, which is a large to the language was the languages of Madison Avenue, which is a large to the language was the languages of Madison Avenue, which is a large to the language was the languages of Madison Avenue, which is a large to the language was the l progress.
So what it comes down to, added, is the management America's affairs at home. He recalled that Lincoln once said that government should do for negative.

And Degion larg thin to be added, is the management of loot that included rifles and machinegum.

Jordan's young King Hussein the bills to give tax relief to the behind the bills to give tax relief to the bills to give tax relief to the bills corporations and to turn the bills corporations and to turn the bills to give tax relief to the bills corporations and to turn the bills to give tax relief to the bill government should do for people the scene returned to Amman and the Hells Canyon dam site over to Clellan (D'Ark) said

not do for themselves.

What the government must undertake, Eisenhower said, are programs in the fields of social segrams in the field social segrams in t curity, health, unemployment in-ments of buttalion strength -about lahomans to join him Sundy in view following yesterday's win trying to see that the nation has 1,002 men — to the scene of the a prayer for rain. The state has of a three-day series Israel attack at Kalgilya out that been shy on rain for several years by the eight-man, bloar Israeli troops cut off their aproach, and conditions have grown severe nittee. Earlier, he had Continued on Page Two this year,
